Other underwriting rules

To determine the underwriting requirements, add the following to the insured amount applied for:

- Disability income benefit according to the following formula: benefit amount \times 50
- The insured amount of any life insurance pending or issued during the last 6 months by La Capitale
- The guaranteed insurability amount applied for

When considering an application for both life and critical illness insurance, the strictest underwriting requirements are imposed.

La Capitale orders the Attending Physician's Statement (APS) and the Inspection Report.

La Capitale reserves the right to order any additional requirements as needed to analyze the risk.
