IMPORTANT UNDERWRITING GUIDELINES

When applying for both Life and Critical Illness insurance do not sum the coverage amounts. Check both requirement charts and order the higher combination of requirements.

All requirements are ordered by the advisor/MGA except the MVR.

NEW! Personal History Tele Interview for paper applications can be ordered by the advisor/MGA.

If an MVR is required, include a valid driver's license number on the application.

In Alberta if an MVR is requested/required, the Life Insured must obtain their own MVR and submit it to Empire Life.

Above \$3,000,000 we require a completed Personal or Business Financial Questionnaire. Please include the policy number on the applicable questionnaire. These questionnaires are located on the Empire Advisor website under www.empire.ca/advisor/Support/Underwriting/Questionnaires-forms.

APS & IR will now be ordered at the discretion of the underwriter.

Other helpful information to submit would be: a cover letter, financial statements or completed needs analysis. For additional tips refer to our **Financial Underwriting Guidelines** located on the Empire Advisor website under www.empire.ca/advisor/Support/Underwriting.

For Trial applications, complete all required questions on the life application, including all medical and non-medical questions and do not order any requirements. Medical requirements should not be ordered if the client has been declined or highly rated by another company. Please submit on a Trial application basis.

Empire Life approved paramedical facilities:

- **Dynacare and Exam One**

To determine Underwriting requirements, include in the amount any life insurance issued in the last six months by Empire Life.

Medical requirements completed in the past 12 months can usually be accepted subject to a current non-medical. If a medshare is possible, please indicate in the Issue Instructions on the Advisor Report, which company would have the medical requirements and a policy number if available

New Residents: Refer to the **Guidelines for Immigrants** guide located on the Empire Advisor website under www.empire.ca/advisor/Support/Underwriting.

Guaranteed Insurability: Multiply each GI unit by \$2000 to determine evidence requirements.

For Optional policies order the requirements based on the higher amount. Additional requirements may be ordered as determined by the Underwriter for proper risk appraisal.

The maximum amount of waiver of premium for other life plans is \$2,000/month or \$24,000/yr.
