Prestige Series

Having accumulated significant savings, the time and effort you have spent growing your wealth have made you an investor of great prestige.

The discipline you have shown in your savings strategy has paid off. You want your investments to thrive in order to ensure a prosperous financial future.

Several factors will make up the growth of your investments, particularly the fees related to the investments you choose. Over time, a reduction in these fees will improve the growth of your portfolio.

iA Financial Group would like to recognize your value as a Prestige client by offering you preferential pricing to maximize the value of your wealth.

When your consolidated assets reach \$300,000 or more, you automatically benefit from preferential pricing on your investments in the Classic Series 75/75 Prestige and Series 75/100 Prestige. There is nothing for you to do from your end!
