RBC Payout Annuities: Guaranteed retirement income from a name you can trust

You've worked hard and saved hard. But making sure you can afford the retirement lifestyle you've hoped for is not always an easy task.

RBC® Payout Annuities provide you with guaranteed income for life, giving you peace of mind in today's uncertain market environment.

The annuity advantage

A payout annuity from RBC Insurance® provides a steady, guaranteed stream of income for life or for a specified length of time, regardless of interest rate and equity market fluctuations. It can help ensure that you won't deplete your assets and outlive your savings. And when you purchase a joint life annuity, it can provide the same benefits for your spouse.

Depend on RBC Insurance

RBC Payout Annuities are backed by the strength and stability of RBC Insurance.
