

Discover four powerful ways to achieve your investment goals

With today's busy lifestyle and more access than ever to in-depth financial information, it can be difficult to find the time you need to fully evaluate all your investment options. Fortunately, RBC Insurance® can help make your investment decision easier with our four RBC® Select Guaranteed Investment Portfolio (GIP) solutions.

Simple all-in-one solutions

RBC Select GIPs invest directly in the RBC Select Portfolios that are built exclusively from the RBC Funds family and managed by RBC Global Asset Management® (RBC GAM), one of Canada's leading money managers. RBC Select GIPs address various risk tolerance levels and can help you succeed in meeting your investment objectives. Whether you are a conservative or growth-oriented investor, RBC Select GIPs provide a simple and convenient way to gain access to a sophisticated investment solution, so you can invest with confidence.

And since each portfolio invests in a selection of leading underlying RBC Funds, you only need to purchase one portfolio to get all the diversification you need to achieve your goals.

30+ years of proven performance

Each of the RBC Select Portfolios is managed strategically and tactically based on the analysis of a team of senior investment professionals from across RBC, led by Dan Chornous, Chief Investment Officer at RBC GAM. RBC GAM has been providing RBC Select Portfolio investors with consistent and strong long-term performance for over 30 years. We are putting the expertise and proven track record of this investment team to work for you.

A portfolio that's right for you

RBC Select GIPs are designed to satisfy different investment objectives. Each RBC Select GIP has a target asset mix suited to specific risk profiles. Your advisor can help you determine the portfolio that best reflects your investment objectives and risk tolerance. The following provides a summary of the four RBC Select GIPs that are available:

- RBC Select Conservative GIP: Moderate income and capital growth, with below average investment risk, for when you want to hold your investment over the medium-tolong term.
- RBC Select Balanced GIP: Long-term capital growth with below average investment risk and a secondary focus on modest income, suitable for medium-to-long term investing.
- RBC Select Growth GIP: Long-term capital growth with average investment risk geared to investing for the long term.
- RBC Select Aggressive Growth GIP: Maximum long-term capital growth with above-average investment risk.

Insurance

Any amount that is allocated to a segregated fund is invested at the risk of the contract holder and may increase or decrease in value.

RBC Guaranteed Investment Funds are individual variable annuity contracts and are referred to as segregated funds. RBC Life Insurance Company is the sole issuer and guarantor of the guarantee provisions contained in these contracts. The underlying mutual funds and portfolios available in these contracts are managed by RBC Global Asset Management Inc. When clients deposit money in an RBC Guaranteed Investment Funds contract, they are not buying units of the mutual fund or portfolio managed by RBC Global Asset Management Inc. and therefore do not possess any of the rights and privileges of the unitholders of such funds. Details of the applicable Contract are contained in the RBC GIF Information Folder and Contract at rbcinsurance.com/segregated-funds.
