

Security / Freedom to choose / Simplicity

Why FORLIFE Series should be your first choice for your retirement income?

- Income ensured for life even if the capital is exhausted
- A guaranteed, stable, safe annual income for life that can automatically increase every three years
- Access your money anytime
- Complete protection at death

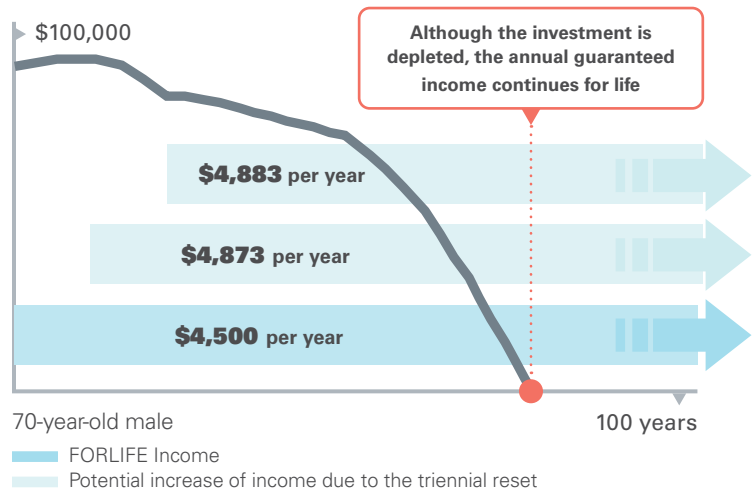

Income you can ALWAYS rely on.

Even when there is a market downturn, you will still receive your retirement income every year... **for the rest of your life.**

Ask your financial advisor what your FORLIFE Income would be.

This document aims to briefly explain how the FORLIFE Series works. Refer to the contract for complete details on the FORLIFE Series.

Current Income Rate of 4.50% (rate as at January 31, 2020)
Return scenario used: Canadian Bond Index 2001-2013
