

# Occupational Class Enhancement

## Rules & Limitations

### What is the occupational class enhancement option?

Some clients, based on occupation, years of experience and annual income, can have the option of enhancing their occupational class to benefit from a decrease in premium payments. To make use of this option, the client has to meet certain criteria.

### Enhancement criteria

The client has to meet the following standards in order to enhance their occupational class.

Occupational Class	CRITERIA				
	Work outside the home over 50% of the time	3 years of experience with the same company	5 years of related experience OR supervising 5 employees	Annual income over \$35,000 for the past 2 years	Annual income over \$60,000 for the past 2 years
B to 1A	✓	✓	✓	✓	
1A to 2A	✓	✓	✓	✓	
2A to 3A	✓	✓	✓	✓	
3A to 4A	✓	✓	✓		✓

### Limitations

Occupational class enhancement is not available for the following professions:

Child care educators	Farm owners
Class C occupations	Forestry workers
Drivers	Truck drivers

INVESTED IN YOU.
