

# Health Service Navigator

Your **passport** to informed health decisions.  
**Any time. Anywhere.**

## **Credible, reliable, Canadian health-care information and support can be yours**

Considering Manulife Lifecheque® or Synergy® insurance? You'll be pleased to know that along with your critical illness coverage, you and your eligible dependents automatically qualify for Health Service Navigator – your passport to credible, reliable online and on-call health-care information and personal support.

It's a complimentary service for Manulife policyholders, and your boarding pass for getting the most out of the Canadian health-care system. Any time. Anywhere.

## **Because doctors can't always be right by your side**

When the doctor can't be by your side, Health Service Navigator is your guide to reliable Canadian health-care information you can trust. At a moment's notice, you can easily:

- Find a family doctor, specialist and facilities
- Discover health tips and facts
- Research hundreds of conditions, treatments and prescriptions
- Learn more about chronic conditions: cancer, diabetes, heart disease, mental health, and more
- Find out what your provincial plan covers, available programs and wait times
- Speak directly with qualified health information experts

It's comprehensive, integrated Canadian health-care information available whenever you need it.

### **Your ticket to second-opinion expertise**

For serious illnesses, Health Service Navigator provides priority access to an expert medical second opinion.\* You can get advice from specialists at world-class academic hospitals – no appointments or travel necessary. Our relationship with WorldCare International means the best available health-care advice can be delivered directly to you and your doctor quickly, helping you make important decisions with greater confidence.

\* WorldCare International, Inc. will provide one second opinion for each life insured, and one additional second opinion that may be used by any eligible dependent of each life insured.

### **Canadian health-care information at your fingertips**

Online access available 24/7. One-on-one support from a Health Information Specialist available Monday to Friday, 8 a.m.–8 p.m., across Canada.
