Introduction

Platinum Protection offers a streamlined approach to life insurance, addressing the needs of individuals who seek coverage without the hassle of medical exams or blood tests. This is particularly beneficial for those who may have encountered health challenges in the past, making it challenging to qualify for traditional life insurance plans.

Offering both whole life and term life insurance options, Platinum Protection provides the flexibility to meet the diverse needs of your clients. These plans feature a number of built-in benefits, enhancing their adaptability and value.

Our worry-free application process takes all the guesswork out of the equation. If your client answers “no” to all the medical questions and the application information is verified by MIB, Inc. (MIB), he or she is covered! In most cases, the insurance policy is issued in as little as 72 hours. No post-claim underwriting beyond the incontestability provision.

Value Added Benefits

These benefits are automatically included with the insurance policy at no additional cost.

Extreme Disability Benefit (Included)

If the insured is diagnosed with an extreme disability and remains in that state for a continuous period of 6 months, they will become eligible to receive up to 50% of the sum insured amount in advance.

This benefit is payable once per coverage. The maximum benefit paid per insured for all contracts in force is limited to:

- \$250,000 for insureds aged between 18 and 59 (age nearest at time of claim), or
- \$125,000 for insureds aged between 60 and 70 (age nearest at time of claim)

Definition of Extreme Disability:

Extreme disability refers to a medical condition that renders the insured individual in a state of total and irrecoverable disability.

This disability prevents the insured from performing at least 4 out of the following 6 activities of daily living without any reasonable expectation of recovery, as determined by a physician:

- Bathing
- Dressing
- Toileting
- Contenance
- Transferring
- Feeding

See the contract for more details.

Insurability Benefit (Included)

The benefit allows the insured to increase the insurance amount, without new evidence of insurability, under the following circumstances:

- Obtaining a new loan, such as a mortgage loan;
- Increasing an existing loan;
- Experiencing any of the following life events: marriage, divorce, adoption, childbirth, obtaining a bachelor's degree, a master's degree, or a doctorate.

May be increased before age 60 up to 25% of the insurance amount up to \$125,000 if the insured is not disabled.

The Guaranteed Insurability must be exercised within 60 days following the circumstances mentioned above. The premium for the new policy or rider is based on the sex and age of the insureds on the date of issue of the new policy or rider, in accordance with the premium rate in force at this date.

Term Exchange Option (Included)

The initial term may be extended to a longer term, for a sum insured equal to or less than the sum insured under this Platinum Protection Term policy or rider after the first month, but before the 7th coverage anniversary, without proof of insurability.

The premium for the new term is based on the sex and age of the insured as of the date of issue of the new policy or rider, in accordance with the premium rate in force at this date. Similarly, premium calculations for any existing additional benefits riders will also be based on the sex and age of the insured as of the date of issue of the new policy or rider.
