

# Comprehensive & Core Critical Illness Plans

Wawanesa Life's Critical Illness plans provides a lump sum benefit to the policy owner to help manage the financial impacts when the insured person is diagnosed and surviving one of the covered illnesses. We offer two Critical Illness products - CI Comprehensive and CI Core, each with 3 different plan types, and various optional benefits to fit the needs of clients and their families.

**Teledoc Medical Experts** - Gives your clients the most out their critical illness plan.

Both CI Comprehensive and CI Core plans come complete with Teledoc Medical Experts services. This service offers the insured person and their immediate family members access to expert medical advice when they need it most. Teledoc Medical Experts provides complete continuum of care, connecting families to leading specialists, helping them get the right diagnosis and treatment plan.
