Notes about underwriting requirements

- If a client is applying for both Life Insurance and Critical Illness, the higher of the underwriting requirements will always apply.
- Do not duplicate requirements, instead order the higher of the requirements.
- PSA (Prostate Specific Antigen) will automatically be part of the blood test for all males age 51 and up, where a blood test is required.
- The tables also apply to residents who have been in Canada less than 12 months.
- Requirements are valid for 12 months.
- ivari reserves the right to request any requirement deemed necessary by the Underwriting Department regardless of of age and amount requirements or product.
