CHILDREN'S CRITICAL ILLNESS RIDER

Description

This benefit provides critical illness protection for eligible children of the life insured should they be diagnosed with one of the covered conditions described in the policy. This benefit helps parents meet the financial needs that can arise if their children become critically ill. The cost of this benefit is not dependent on the number of children covered.

Covered Childhood Illnesses

- Autism
- Benign Brain Tumour
- Blindness
- Cerebral Palsy
- Cystic Fibrosis
- Deafness
- Diabetes Type 1
- Down's Syndrome (Chromosome 21)

- Transplant of a Vital Organ
- Muscular Dystrophy
- Paralysis
- Specific Congenital Defects

Issue Ages

- 18 to 55 years old for the life insured
- 0 to 17 years old or less for each child insured

Eligibility

- Children born within 10 months of the effective date of this rider are excluded from coverage if any critical illness is diagnosed within 30 days of birth.
- Children born at least 10 months after the effective date of this rider are covered from birth, without underwriting and at no additional cost, if the child survives 30 days after birth.
- In order to qualify for benefits, the child must survive for 30 days following diagnosis of a critical illness.
- Eligible children include natural born children, adopted children and stepchildren named in the application and approved for coverage.
- Adopted children and stepchildren can be added to the rider if approved for coverage based on satisfactory medical evidence.

Benefit Duration

- Up to age 21 for each child (or age 25 in the case of a full time student who is wholly dependent on the life insured for support) or age 75 of the life insured, if earlier.

Payment of the Critical Illness Benefit will be made on the first to occur of any of the Critical Illnesses for each Child. Critical Illness protection for that child will then terminate.

CHILDREN'S LIFE RIDER

Description

This benefit provides life insurance protection for children of the life insured who are named in the application and are alive when the benefit comes into force. Future additions to the family are automatically covered when the child is 15 days old. The cost of this benefit is not dependent on the number of children covered.

Issue Ages

- 16 to 60 years old for the life insured
- 15 days to 17 years old for each child insured

Benefit Duration

- Up to age 21 of child or age 65 of the life insured, if earlier

Coverage Amount

- Minimum \$1,000
- Maximum \$25,000

Conversion

- Within 60 days before the policy anniversary nearest their 21st birthday, each child insured can purchase any eligible permanent life insurance policy with a coverage amount of up to four (4) times the sum insured under the Children's Life Rider.
- The premium rates for the new policy will be based on current rates at time of purchase for the attained age of the child.

Paid-up Benefit

If the life insured for this benefit dies before the end of the coverage period, the Children's Life Rider will remain in force until the expiry date of the rider with no further premiums payable for this benefit.
